Thanks Kevin!

Justin – can you pass along to NEIC?

Hi Margaret,

So, I scanned all the documents stored in the file rom plus permits received from Multimedia Permitting Division and uploaded to H:\6EN\6EN-A\6EN-AT\ITC Documents for NEIC Inspection except one file that is archived to the Federal Records Center. They will email me once it arrives here.

Thanks,
Kevin

Are you looking for particular years? Or all the records in the file room?

Hi Kevin:

Can you please pull the Intercontinental Terminals Company (Deer Park) file and scan any permits, semiannual reports, and inspections that are in there to the H drive: H:\6EN\6EN-A\6EN-AT\ITC Documents for NEIC Inspection? Can you please do that by COB Friday?

Thanks!
Margaret

Hi Margaret,

It looks like NEIC is beginning its prep work for its ITC Deer Park inspection, and Matthew is asking me for documentation including their TV permit, semiannual reports, and prior inspection reports. Do we have any of these sort of documentation on hand? Thanks!

Best regards,

Justin Chen

Hi Justin,

I will be the project manager for the upcoming inspection of the tank terminal facility (ITC) in the Houston area and you are listed as the regional point of contact. The inspection is planned for the week of November 13.

I know you are out this week, and I will be out in the field next week. However, I would like to start on the project planning as soon as possible.

Can you please send me (or a link to) the facility's Title V permit, semiannual reports, prior inspection reports, or any other documentation that might be useful for preparing for this inspection? Thanks a lot Justin, I'm looking forward to working with you again!
